April 2, 2014

The 2014 SCARC, Inc. Benefit Golf Tournament is scheduled for Saturday, May 3 at the Shady Brook Golf Club. I am asking for you to sponsor the tournament and help us meet our goal of \$12,000. Every gift is appreciated.

As a sponsor your name will be posted at the tournament on the golf course. But more importantly all the funds donated will *directly* benefit SCARC, Inc. There are no middle men, no paid fund raisers, no cut to a larger organization, just support to SCARC, Inc. to help us keep providing vital services to people with developmental disabilities just as we have since 1974.

The care and welfare of the individual with developmental disabilities has been and shall remain the only reason that SCARC, Inc. exists. It is because of the tremendous level of community support from the people of Sumter County that SCARC, Inc. has been able survive these last 40 years. Every gift helps to supplement program budgets that have been reduced by declines in state funding for the past eleven years.

This is a very real threat to the progress of the last 40 to 50 years in developing community services for people with developmental disabilities. It will take every ounce of community support to keep SCARC, Inc. going strong and fulfilling our mission of providing supports and services to people with developmental disabilities. It is a mission we must accomplish, because the alternative is unthinkable.

Your donation will help us keep our services going and our group homes open.

Sincerely,

Marsha Woodard Perkins
Executive Director
